

10TH DISTRICT AMERICAN LEGION FAMILY NEWSLETTER DECEMBER 2025

DISTRICT 10 COMMANDERS MESSAGE

Merry Christmas and Happy New Year!

I hope all of you had a great Thanksgiving be it with many or few and that your hearts were filled with gratitude. This time of year can affect many people and as the cold comes and the world is resting in winter slumber now more than ever hearts are in need of good cheer, compassion and kindness.

We are approaching the end of 2025 and looking back at how quickly it has passed. As we approach this upcoming holiday season, I consider the needs of the many and know that each post is doing remarkable things in simple and glorious ways. I would ask always that we put aside our differences and come together. That our hearts soften to the human condition that life does not always find us at our best, and each persons heart carries things we do not have words for. Remember who you are and that you matter. I feel strongly how important it is to keep names safe upon your lips that we may honor the things we stand for As the American legion families not only through their words, but their dedicated actions to serving the principles and people we were founded on.

I have been able to Meet and greet many people in the county meetings and still have more to go as I want sincerely to hear the needs of the Counties we have stewardship over in the 10th district. I am humbled and awed at the passion and dedication I see manifested on a much larger scale as I travel throughout the Counties.

As we approach this season and many times this is the time of great struggle for Veterans, Widows and their families. I continue to push operation fill the food banks of your local communities and endeavor the errand of angels to be present in your mind as you wake up daily follow the promptings in your heart about your fellow members, check on them, help them feel that they are not forgotten or left behind. I share these sincere words as I have seen first-hand how you have wrapped your arms around Veterans even ones that are sometimes rough around the edges and welcomed them home made a place for them, Made auxiliary members feel appreciated supported and heard, Legion riders that have profound impact and the added dedication of our sons of the American Legion with the support they have in each post.

My heart has swelled with pride as I see and hear how the youth programs as well as the hearts open and flow with generosity of time. That is one of the most important things we possess is time that we give. I know there is only so much time in a day, and we all have busy schedules and much going on in our day-to-day lives. United we are unstoppable and divided we fall. No matter our differences or our beliefs, this District has embraced differences, putting aside egos and gotten so much accomplished in the face of many obstacles.

I am so proud of each and every one of you. I take a word with my maker daily that I may serve to my fullest capacity both in my profession and my calling as the 10th district commander, and I am so thankful for the leadership and team that I work with to make this possible. How much their wisdom and dedication to this district and people warm me up. Our executive committee gets things done even through health issues, even though there is heartache, even though already having their plate full I am thankful for each and every one that has supported and encouraged not only me but those that are struggling with things that there are no words for. We are not people that will be divided. I strongly encourage unity. To always have a kind word and patience with one another. Continue forward and be the one, continue to check on your members and their families that you may know them. Sometimes we have to step into roles of leadership we often do not know if we have the ability, capacity or time to do, now more than ever we have changing and shifting of the torch to the next generations that will see this organization stay alive and a breathing force. I would ask those that have a willing heart to reach out to your post leadership and ask for a role to help your local posts stay alive and thrive. Many of you have hidden talents that would come forward in this time of need for the coming changes of the times and are greatly needed.

God Bless and keep you my 10th District Warriors, Angels, and fellow patriots through this season and may the New Year bring you renewal and comfort as you stand in need of it.

Much Respect and Affection,
Felicia M Decker 10th District Commander

10TH DISTRICT AMERICAN LEGION FAMILY NEWSLETTER DECEMBER 2025

DISTRICT 10 AUXILIARY PRESIDENT'S MESSAGE

Hello American Legion Family members!

It's beginning to look a lot like.....winter! I am certain that snowfall amounts throughout the Tenth District are as varied as our opinions of the white stuff! Here in Augusta, I decided that I wanted to shovel a little at a time, so it would not be as difficult to keep the sidewalk at the new house as clear as possible. Therefore, I shoveled each time I took the pups out to play in the snow—and go potty out there. I estimate that we got about 6 inches of snow yesterday and early today (Nov 29-30). I hope you all had a safe and successful deer hunting season, a wonderful Thanksgiving Day and safety on the roads for all who have traveled for family gatherings, for hunting, and for Thanksgiving.

Christmas is coming soon, and while Christmas to many of us is a magical time of the year—thinking of the religious meaning of celebrating the birth of a Savior, or looking at this season through the eyes of a child who is waiting for Santa and his reindeer to bring them at least some of the goodies on their wish list, many of us look forward, with anticipation, to this wondrous time of the year. However, my friends, let us all keep in mind that the Christmas season is not always the easiest time of the year for everyone. We all have friends who have suffered some sort of loss, whether it be a death in the family, an estrangement in the family, a health crisis, the loss of a job, a move across the country into unfamiliar territory, or perhaps a move into a nursing facility or assisted living facility for some of our frail or elderly family and friends. Christmas is actually one of the times of the year when suicide is at an extremely high rate! Please check on your people—on OUR people! Buddy checks/Poppy calls—whatever you want to call them—are so important, especially at this time of year. Calls are great, but in person visits, if at all possible, are even better! Don't forget our veterans who are housebound or in nursing homes or assisted living facilities, many of them are also lonesome and would love a visit from YOU! Those visits are cherished by these veterans every day of the year, but the visits are especially coveted during this time of the year. Also, remember our active-duty service members and their families, who may be separated from each other because of a deployment. I would encourage you to especially remember the family and friends of National Guard members Sarah Beckstrom, who was killed, as well as Andrew Wolfe, who was also shot in an ambush attack in Washington DC just before Thanksgiving. If you are a prayer warrior, please keep all of these families in your hearts and prayers.

I hope that some of you are making plans to attend our Mid-Winter Conference in January. It should be a time of connecting with other members of our great organization as well as a time of training and learning. It will be held at the Oneida Casino Hotel in Green Bay from January 15-18, 2026—with the Auxiliary session being held on Saturday, January 17th. Registration for the conference is \$30, if you register by January 1st. The luncheon on Saturday can be added for only \$20, with 3 choices listed on the registration form for your meal. If you wish to attend the Banquet on Saturday night, you must register by December 27th. The Cost is \$50 for a buffet that sounds fabulous, with baby back ribs and broasted chicken, in addition to the sides to go with those meat choices! Look for the Registration form included in this newsletter.

If you have not yet paid your 2026 dues, please do so today! We need you—and we want all of our members to be part of the ALA! Contact your membership chair to pay locally or you can call national to pay by phone, with your credit card. The number to call is 317-569-4570 Monday-Friday 8 am to 4:30 pm Eastern time.

If you would like me to visit your unit for an upcoming function or a unit meeting, please let me know in advance, so I can put it on my schedule. I look forward to the opportunity to meet with as many of our units as possible and participate in activities that you may wish for me to do.

Finally, remember the deadline for ordering your poppies for this coming year is fast approaching. Please order your poppies by December 13th, or you may not receive them in time for your poppy distribution in May!

I wish you all a Christmas and New Year filled with joy and blessings—and I hope to see you all soon!

For God and Country,
Teresa Steinke, President
Tenth District, Department of Wisconsin
American Legion Auxiliary
