February 2023 Assistant Director Report,

February 4, 2023

ALRA of WI Purpose: *“To participate in parades and other ceremonies that are in keeping with the aims and purposes of the American Legion. To promote motorcycle safety. To provide a social atmosphere for American Legion members who share the same interests. To use our Association to promote and support the programs of The American Legion, the community and other motorcycle organizations.”*

As part of my goal to visit all 11 other districts this term and attend a district meeting and event if possible. My purpose for doing these visits is to get out in the state and see all the great things you are all doing and to thank you for all that effort you put in every day even though no one is watching. I ask each meeting the same two questions:

- A. What event has the most profound effect on you, the Legion Riders while you are doing it? I ask this because I guarantee if it has a profound effect on you, then it likely has an amazing impact on those you are doing it for.
- B. What is your best fundraiser? Point here is to share what each district is doing so that if another district wants to do a similar one, they can contact the originating district and get information.

I will be scheduling visits with Districts 3, 6 & 12 in the new year.

I had the opportunity to attend the Legion Wisconsin Mid-Winter Conference a few weeks ago. In addition to the great opportunity to socialize with fellow service people and their families, I was able to attend the Americanism Committee & National Security meetings on Friday. If you weren't aware, the Riders fall under the Americanism Committee as a program of the American Legion. Saturday provided many opportunities to both State and District Legion Riders business. Many Riders from different districts attended training with the highest focus for the day on the Wisconsin Gaming Commission training.

Thank you all for the great efforts you go to in support of Veterans and American Legion programs. Ride safe and I'll see you around the state!

Sincerely,

Corey Doehrmann
Assistant Director
