

2018-2019 POST EXCELLENCE AWARDS UPDATED

By action of the National Executive Committee at their National Fall Meetings, the following changes were made to the Post Excellence Awards:

- 1. Membership:** Post membership must be at least one member greater than the previous year. At least one post officer attends district meetings.
- 2. Consolidated Post Report:** CPRs must be submitted by July 1. The American Legion's federal charter requires the submission of an annual report to Congress on activities for the year. MyLegion.org has made it simple for a post to submit its CPR in a timely matter.
- 3. Sharing of Post History:** The American Legion's Centennial web page www.legion.org/centennial, allows posts to convey its legacy by sharing historical photos, videos and print material. For instructions on how to create a post profile go to <https://www.wilegion.org/dispatch/217282/share-your-posts-legacy>.
- 4. Community Activity:** The post must conduct an event that connects the local community with The American Legion post. The objective is to open your doors welcome the community in, and educate them on what The American Legion is all about and how the post is an asset to the community. Posts do not need to have a physical building to accomplish this. This activity can be held in a park, a community center, or anywhere the post can welcome and interact with the local community.

When you received you Administrative Manual Appendices at Department Convention, the Post Excellence award was on page 36 of Appendix C. Please replace that form with the one provided on the next page.
