Dear District 10 American Legion Family,

We received your donation of the 2018 Ford Transit Van. We thank you for your generosity. The van will help Camp American Legion stand by its historical commitment to serve Wisconsin's Veterans, actively serving military and their families, and Families of the Fallen. Take pride in knowing your support is making a positive impact on many lives. A special thank you to Rick and Kathy VanderMolen for the coordination and support to get the van for camp.

As Camp Director, I thank you for your partnership in serving those who have served and those still serving. On behalf of the many veterans and service members who find sanctuary at camp each year -- individuals battling cancers, amputations, paralysis, post-traumatic stress, and members readjusting after returning home -- thank you for helping support our mission, values and vision.

Camp American Legion and the services it is able to provide are only possible through the support of caring individuals, community leaders, fellow veterans, their families and friends, and the Legion family who actively demonstrate kindness and admiration for the camp through generous gifts of support.

The Wisconsin American Legion Foundation is a 501(c)(3) non-profit corporation as defined under the IRS Code. Our EIN is 26-1582528. No goods or services were received in consideration for your contribution, your gift is tax deductible to the extent allowed by law if you so choose.

With Gratitude,

Jim Klement
Camp Director
