Dear American Legion District 10,

Your generous donation of a club van **equaling \$24,393.00** is greatly appreciated by the residents and staff of the Veterans Housing and Recovery Program. It is individuals such as you as well as other corporations and groups from the community whose support has convinced us that many people truly care about the men and women who have served in the military during this country's time of need. Because of your contributions we are able to assist these veterans with housing and employment needs.

Throughout the years, community support for the VHRP has been phenomenal. Our staff and veterans are often searching for ways to give back to the community and would like to welcome you to contact us if our veterans can serve you, your business or organization in any way. For all the donations that come in our doors, this is our way of saying "Thank You" for helping us keep our doors open.

If you would like more information about our program and the support services we offer our veterans, please contact us at 715-726-2541.

Sincerely,

A handwritten signature in black ink that reads "M. Hanke".
