

The Wisconsin American Legion College is now offering its Basic and Intermediate Courses virtually on the ZOOM Meeting platform. The courses will run for 3-hour sessions on two consecutive days – Saturday-Sunday morning classes from 9:00AM to Noon each day, and weekday evening courses from 6:00PM-9:00PM each day.

Attendees must meet the following requirements:

1. Have a computer or device with a camera. Each attendee must have **both audio and video**. Simply calling in on a phone is not an option.
2. A commitment to attend each 3-hour session.
3. Each class will be limited to the first 15 people who commit to the class.
4. Basic Course must be completed before the Intermediate Course.
5. For the Basic Course, obtain a copy of the Officers Guide and Manual of Ceremonies from your Post, if possible. If not, download it from the National website (www.legion.org) under the Publications area. We will refer to the Guide for much of this course.
6. Several other documents will be emailed to you prior to the class date.
