

Watch for the LegionCare AD&D Enrollment Card

In an exciting development, the Legionnaire Insurance Trust, which has long supported Department programs, has conducted a mailing campaign to better serve Wisconsin Legionnaires and simplify the process to receive free LegionCare Accidental Death and Dismemberment Insurance (AD&D). Enrollment cards are being mailed to all current Wisconsin Legion members who reside in eligible states, as well as those Sons of The American Legion whose records indicate they are at least 18 years of age.

LegionCare provides \$5,000 in Accidental Death Coverage for covered accidents that occur if you are traveling on official Legion Family business and \$1,000 for all other covered accidents. This is 24/7 protection that covers Legion Family members at home, at work and while they are travelling away from home. It is available for all Legion Family members in Wisconsin who are at least 18 years of age.

All Legion Family members must confirm their LegionCare protection in order to be covered. This is why the Legionnaire Insurance Trust (LIT) has mailed enrollment cards directly to homes across the state. By mailing the enrollments cards directly to members, the Legionnaire Insurance Trust wants to ensure that everyone has an opportunity to receive coverage. You can also activate coverage by going online at www.theLIT.com or by contacting (800) 235-6943 for assistance.

Another important change has been made to the LegionCare AD&D program which eliminates the need to re-enroll every 5 years. By utilizing the enrollment cards sent to their home, Legion Family members will remain eligible for coverage as long as they remain members in good standing.

The Legionnaire Insurance Trust has provided valuable benefits to the entire Wisconsin American Legion Family since 1984. Since then the Department of Wisconsin has received over \$2,000,000 in allocations to help support our programs. With recent Federal legislation dealing with healthcare issues, supplemental insurance is becoming more and more of an important issue. The LIT offers many different programs, including Medicare Supplemental insurance, Long-Term Care, Cancer insurance, Hospital Income, Identity Theft Protection and more.
